Dear Parent/Carer

Year 11 Trial Examinations

In the run up to the final examinations next May, I would like to draw your attention to a number of events and activities designed to support students with their effective preparation and revision:

For all students

- **Trial Examinations** in November, January and March (examination timetable for November enclosed)
- Parent/Carer Revision Workshop, **Tuesday 4 November 2014** at 6.00 p.m.

For identified students

- 'Turbo Maths / English', every Wednesday 4.00 – 4.45 p.m. (information enclosed)
- Mentoring programme with Senior Staff (information enclosed)
- Team Up – Tuition programme for Mathematics/English (information already disseminated)

In addition, students should be preparing for examination independently. As a useful guide, in the period leading up to the trial examinations, we suggest that students are revising independently for approximately one hour per evening and for some time over their weekend.

Please indicate on the proforma below how many seats you require for the Parent/Carer Revision Workshop.

Yours sincerely

Mr J B Robson
Senior Vice Principal
