## Announcing our new College app

We are pleased to announce the launch of our new college app. It is FREE for you to download and is part of our commitment to communicate with parents, delivering the College's latest news, events, push notifications and much, much more.

The app has been designed to be used on smartphones running iOS or Android, and can be downloaded from the Apple App Store and Google Play.

App set up instructions are available on the next page.

To download the app, visit the websites below or search on the app stores for LFC Derby. Open the app, register your details and you're ready to go.

# Setting Up the App

When you have downloaded the Landau Forte College Derby app to your smartphone there are just a few things you need to do, to ensure you can get the most from the app.

## Registration

You will be requested to enter your details. This is a once only form and enables the app to identify you to the College. Our app administration team will be able to see your name, email and phone number. We also request you create a PIN, which is private. This will be used if you submit an absence notification via the app, ensuring only you can use this feature.

## Settings

From the app menu, select Settings. In this area you can:

- Update your details
- Subscribe to push notification groups

## Push Notifications

Push notifications enable the College to notify you of new messages or events without the need for you to actually open the app. It is recommended that you choose to accept push notifications, to ensure that you receive important communications.

To opt in to push notifications, simply tap the Year Groups which are of interest to you then tap the Save button. This function enables the College to send messages to specific Year Groups.

If you experience any problems with the app set up please contact Landau Forte College Derby, or email: [support@myschoolapp.co.uk](mailto:support@myschoolapp.co.uk) with the reference: LFCD.
