Dear Parent/Carer

I wrote to you initially in April and I write to you again to ask for your support in alleviating the parking problems that are occurring outside the front of the College on Fox Street at the end of each day.

If you collect your child in a car from Fox Street I am sure you will share my frustrations. If you have to pick your child up from Fox Street please observe the parking restrictions and road safety. The road quickly becomes grid-locked and we are concerned about the safety of our students. Students who wish to cross Fox Street have to walk out into the road between parked cars, limiting visibility.

We appreciate that there is limited space whilst waiting for your sons and daughters but we would ask that, if possible, you car share with other families or make arrangements to meet your child on an adjacent street.

We are continuing to work with the Police Safer Neighbourhoods Team to look for solutions to the parking problems we face.

Yours faithfully,

A handwritten signature in black ink that reads 'A Brannick'.

Principal
