The Information Centre will be open after College until 4.40pm for homework/quiet study

What Went Well

International Women's Day

International Women's Day was celebrated all over the world on the 8 March and is a global day praising the social, economic, cultural and political achievements of women. To commemorate the occasion in school we delivered gatherings discussing not only the reasons why International Women's Day is celebrated but also the ideology of Feminism. The aim of the gathering was to provide an honest perspective of what feminism is to further the understanding of all year groups. We talked about real life examples of both male and female feminists, showed official statistics of inequalities in the work place, and explained for those who were inspired by our gathering, how to help the cause. We received positive feedback from not only students but teachers too showing that the gathering had been successful in communicating across the movement towards equality.

To consolidate the gathering we also organised a panel event where three successful women from Derby came and spoke about their careers, challenges they've faced and what the future holds for them. Among the panellists were; Claire Tonks (Partner at Flint Bishop Solicitors), Bev Crighton (Senior Lecturer at Derby University) and Ndiark Mbodji (Head of Operations Engineering and Technology at Rolls Royce). The varied careers of the women gave a greater insight into the different forms of discrimination faced. One student was particularly encouraged by the talk and took a better understanding of how to deal with such issues whilst also feeling more driven to partake in a STEM career.

Overall, the events of the week were effective in encouraging conversation and action towards the subjects surrounding International Women's Day and we hope this will lead to more discussions, events and appreciation for this movement.

Alena Sahota and Taya Evans (year 12)

History

AMB - Year 9 visited Beth Shalom on the 20 and 21 March. A big thank you to all staff that either helped organise and staff this along with those of you who stepped in to cover sessions. This was part of a joint focus in History and PRE – please feel free to talk to students about what they heard and saw. If students have access to the computers at tutor time it would be useful if they could be encouraged to look further into the Kindertransport. Their experiences could also be used to spark wider discussion in tutor bases possibly focusing on moral responsibility or on other examples of genocide and war, bringing in current events.

AMB - Ryan Smith and Philip Hutchinson visited Auschwitz as part of the Lessons from Auschwitz programme and are currently looking at how to best share their experiences with groups of students within the College – most likely Year 8.

Spelling Bee

JRC – On the evening of 21 March, I took 3 students to the Routes into Languages MFL Spelling Bee Regional Final in Corby – Josh Meadows and Elena Dark for Spanish, and Alishba Amber for German. Kathrin Gahr, our German assistant, was on the judging panel for German too.

All of them performed admirably well, with Elena coming 2nd in the Spanish and Alishba winning the German. They are both therefore through to the national final in Cambridge in July. Special kudos to Alishba, who only stepped in last week due to another student withdrawing.

Our domination of this competition continues, as every year of the 7 it has been running, we have had at least one student in the national final.

Thanks to all who supported with this in any way.

Standing Up Against Bullying

The Ben Cohen StandUp Foundation

23 March 2017

Landau Forte College Derby
Fox Street
Derby DE1 2LF

Dear Mrs Burton:

We would like to take this opportunity to thank you for the generous donation of £1,034.67 to support the work of the Ben Cohen StandUp Foundation.

Your donation will go towards raising awareness of bullying and its long-term damaging effects, fighting homophobia in sports, and supporting those organisations doing real-world work to stop bullying.

Thank you for standing up with me to help create a world of understanding and kindness.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Ben C. Cohen'.

Ben C. Cohen, MBE
Chairman

Registered charity number 1166654

Upcoming Events

Littleover Dazzlers FC

JKK - Littleover Dazzlers are an under 9's football team who hire out our multi-games on a Wednesday, Saturday and Friday. They love the facilities we have at the College and have asked me to include the following article in this weeks' bulletin:

Dave Huddleston from Rolls-Royce is setting out on an adventure in support of orphaned and destitute kids in the Nakuru region of Kenya.

Derby County Community Trust (DCCT) has been supporting the schools in this region for the last seven years and the work they do is well recognised and greatly appreciated, but for Dave it's the first of what could be many trips.

As well as building classrooms, improving the infrastructure of the schools and running sports classes the DCCT team also brings donations of clothes for the less well-off children. The majority of the children live in the local shanty towns and any handouts are always warmly received with love and gratitude.

In support of this great cause, Littleover Dazzlers Football Club offered an amazing donation of football kits. The kids in the teams have also been collecting up their old football boots that they'd grown out of and other kits to add to the collection.

This is a wonderful gesture and will have an amazing effect on the children at the schools in Kenya – a massive thank you to the kids at Littleover Dazzlers. Pictured here are one of the teams from the under 9 team at Landau Forte College with Dave Huddleston, along with coaches Craig Pearson and Darren Hardwick

Notifications

History

AMB - Year 11 historians are receiving weekly revision updates and ideas for revision from me – it would be very helpful if, as personal tutors, you could encourage these students to read these and make use of the suggested material.

Creative Writing Club

RSG - Creative Writing Club is back on every Thursday in ML9 from 3.30pm to 4.30pm. All year groups are welcome!

Information Centre

CEH - Our **Yu-Gi-Oh** leader, former student Andrew Chesterman, has formulated a **tournament** that will run until the end of **Term 5**. Points are allocated for attending a session, playing a game, drawing, winning etc. and the points will be added up to find category winners and an overall winner. There will be prizes for various achievements.

This flexible point system means that students still have a chance even if they can't attend every week, if they are beginners or if they sometimes lose a game – **it's not a problem!** So please encourage your tutees to come when they can on a Monday between 3.30pm and 4.30pm. **All abilities are welcome, with or without their own cards.**
