Sixth Form Welcome Evening

As a parent/carer of a student who has recently enrolled for sixth form education at Landau Forte College, you are invited to a Welcome Evening on Wednesday 4 October at 5.00pm.

Further to the students' Year 12 Induction Programme, this event will allow us to also share with you how we plan to maximise your child's outcomes, thereby enabling them to make a successful transition to their preferred destination in two years. We will provide an overview of the year ahead, an outline of the demands on students but also clarity on the support that is available to them so they may release their full potential whilst enjoying their learning as a sixth form student. We will also of course be available to answer any queries that you may have.

While Year 12 students are welcome to attend, the evening is primarily aimed at parent/carers. Please return the attached slip to indicate if you will be attending this event.

Yours sincerely
