Dear Parent/Carer

I am writing to invite you to an event that the College will be holding next **Thursday 14 September at 6pm**. The information evening will provide you with key information about your child's GCSE curriculum and to the changes that have taken place nationally which will impact on your child. The evening will also provide you with the opportunity to share your thoughts in how you feel the College could improve to further support your child's education.

This is an exciting time as your child embarks on their GCSE studies and I look forward to working with you over the next stage of your child's education.

Yours sincerely

Mr MJ Rowe  
Assistant Principal – Key Stage 4.
