November 2020

Dear parent/carer,

I am writing to inform you that, over the two week break, we have been made aware of several cases of COVID-19 within our school community. All but one of the cases has not attended school whilst classed as infectious. The individuals concerned will continue to self-isolate for the recommended period and we wish them all a speedy recovery. We have identified all close contacts of the one case that was present in school while classed as infectious, and have asked them to self-isolate.

After discussions with Public Health England (PHE) and the Department for Education (DfE) there is no further action for the school as we have been closed for the end of term break. The school will therefore remain open for the start of Term 2 from today.

We will continue to review our risk assessments and take advice from the DfE and PHE. The safety of our staff and students will always be our utmost priority. A deep clean of the school site was again completed at the end of last week and over the weekend. Our site team and team of cleaners are working very hard to ensure our school continues to be a safe and secure environment in which to educate our young people.

This morning all our young people have received a free, reusable face covering. Please remind your son/daughter, that in line with the guidance from Landau Forte Charitable Trust and the DfE for schools in tier 2, students and staff must wear face coverings in all communal areas of the school at all times.

As ever, if you have any questions at all, please do contact the PA to the Principal, Miss Walendziewski, LWALENDZIEWSKI@landau-forte.org.uk

Kind regards,

A handwritten signature in cursive script, appearing to read 'A Brannick'.
