A Level Product Design

Websites/Videos/Downloads

- Download the App 'TED Talks' and search Product Design and watch some lectures.
- Download Google 'SketchUp' from the internet (works for Mac and PC) and learn the software.
- Use iTunes to download the 'SketchUp' show podcast or look on YouTube for the 'SketchUp' show to find tutorials.
- Open a Flickr, Tumblr account and take photographs of interesting things, products, people.

Books/Articles

- Look for books on Product Design and read them: (Please see attached reading list, including webpages)

Other Materials

- Buy a sketchbook and practise drawing.
- The Facebook group 'Sketch-a-day' should provide some inspiration for this task.
- Sketch-a-Day also has a web page: http://www.sketch-a-day.com/
