Dear Parent/carers

Year 7 In-Person Parent/Carer Evening

The College would like to invite you to attend a Year 7 parent/carers evening which will take place on-site on Thursday 9th November 2023 between 3.30pm and 6.30pm. The theme for the evening is “**Settling in**” which will include face-to-face appointments with Learning Tutors who will provide subject specific feedback.

In addition to meeting with Learning Tutors:

- A Show My Homework stall, which will enable you to ask questions regarding logging in and getting the most out of this online platform.
- An Extension/Enrichment stall, which will allow you to see the wider opportunities on offer to your child.
- A Y7 Residential stall, which will allow you to find out more about the overnight educational visit being planned to Hesley Wood in the summer term.
- Students with an Individual Learning Plan (ILP) will be able to make an appointment with a member of the Individual Needs team.
- The College Executive team and Deputy Head of Year will be available for you to drop in and ask any wider questions you might have.

Booking Appointments

Although the evening is an in-person event, appointments will continue to be made using the School Cloud platform. This allows you to choose your own appointments with Learning Tutors, and you will receive an email confirming your appointments.

Appointments can be made from Thursday 19th October 2023 at 4:00pm and will close on Thursday 9th November 2023 at 12:00pm. Should you need to make any changes after this date please contact Mrs Rawson (JRAWSON@landau-forte.org.uk).

If you know in advance that you are unavailable to attend, please contact Mrs Rawson using the email address above or by phoning the College who will be able to discuss alternative arrangements.

The College website parents evening page (<https://landau-forte.org.uk/parents/parents-evenings/>) contains a help guide on booking appointments.

Appointments will have a fixed length of 5 minutes followed by 1 minute of travel time, enabling you to get to your next appointment on time. A signal will notify the end of each 5 minute appointment, with everyone moving at the same time to the next Learning Tutor.

It is hoped this will enable you to follow your appointment schedule and see the Learning Tutors you have booked at the correct time. Since the start and end times for each appointment are fixed, any delay in attending will reduce the time available with the Learning Tutor.

Should you miss an appointment for any reason it will not, unfortunately, be possible to see that member of staff at a different time. However, Curriculum Leaders for subject areas will be available at the end of the evening.

All of this information will be communicated to students and I would ask for your support in attending the evening. This is a crucial point in your child's education and we look forward to the opportunity to discuss the specific support needed to help them attain their potential.

If you require any further information, please do not hesitate to contact me at the College.

Yours sincerely
