2025-26 Academic Year

Welcome to The Restaurant at Landau Forte College Derby

The restaurant serves breakfast and lunch each day and offers a wide variety of nutritious hot and cold food.

We use a cashless catering system at the College: students load money onto their individual identity cards by using our online payment system, ParentPay. If you would like assistance setting up your ParentPay account, please see the relevant section below or contact Finance at College.

Breakfast

A daily selection of hot breakfast items, cereals, fruit, yoghurts, toast and speciality breads, hot and cold drinks.

Lunch

We offer a hot meal of the day, including a vegetarian option, daily choices of jacket potatoes, hot wraps, pasta, salads and sandwiches, hot and cold desserts and fruit.

A variety of drinks are on sale and water is available, free of charge, throughout the day.

Prices are shown on the following pages. Please look out for meal deals, offers and theme days that take place throughout the year. Our weekly menus are published on the College website for your information.

We have frozen the price of our daily main meal offer at £2.60 for the third year running, which consists of a hot meal and dessert, or if you prefer, you could choose a plated salad with a yoghurt or a piece of fruit.

Students who are entitled to free school meals have the lunch set meal value of £2.60 automatically credited to their student account each day, and use their card in the same way as all students to claim their meal.

Vegetarian and Halal options are offered by the College. If you are concerned about nut and other food allergies please speak to our Catering Manager directly.

ParentPay

The College accepts payments online for items such as College meals, visits and much more, using a secure website called ParentPay. You can pay online using your credit or debit card. ParentPay is our preferred method of making payments to College.

ParentPay is easy to use and will offer you the freedom to make online payments whenever and wherever you like; safe in the knowledge that the technology uses the highest quality internet security available and that funds will reach the College safely.

Parents have a secure online account, activated using a unique username and password; making a payment using your credit or debit card is straightforward and ParentPay holds an electronic record of all payments for you to view at a later date. When you make a payment, an e-mail confirmation is sent to you, giving you reassurance that the transaction has been successful.

In addition, ParentPay offers you the ability to set automated email/SMS reminders ensuring you never miss a payment and helping you keep your child's swipe card in credit at all times.

The more parents that use ParentPay, the greater the benefit is to the College. You can help us reduce workloads for all staff, creating more time to lend to educational support and the smooth running of the College. It also ensures that all financial transactions are safe and secure.
