Dear Parent/carer,

Year 11 In-Person Parent/Carer Evening

We are excited to invite you to a special parents evening at the College on **Tuesday 16 September** between **3.30pm and 6.30pm**.

We have lots to share with you at the beginning of this important and, what I am sure will be, rewarding year for your child. Your support at this crucial stage in your child's education is vital.

We appreciate that attending an evening like this can be a challenge alongside the demands of family life, so childcare will be available on the night. You will be able to leave younger siblings with members of staff to watch a suitable film and craft activities, enabling you to attend your face-to-face appointments with individual Learning Tutors with fewer distractions!

Once you have signed in you will be given a voucher which you will be able to exchange for a free sweet treat, and refreshments - tea, coffee and juice - will be on offer throughout the evening.

We will be selling recommended revision guides and resources on the night from our resources stall, and a variety of sixth form and College providers will be onsite to discuss study and career options beyond GCSE.

Students with an Individual Learning Plan (ILP) will be able to make an appointment with a member of the Individual Needs team and, as usual, members of the College Executive and Pastoral team will be available to deal with any questions you might have.

At the end of the evening, you will take home a pack which outlines key dates, events and visits in Year 11, as well strategies and resources for each subject which will enable your child to maximise their progress and be successful in their forthcoming trial and external exams.

We look forward to welcoming you on site, and very much hope that you will be able to attend. Details of how to book appointments are on the next page.

Booking Appointments

Although the evening is an in-person event, appointments are made via the School Cloud platform. This allows you to choose your own appointments with Learning Tutors, and you will receive an email confirming your appointments.

Appointments can be made from Wednesday 3rd September 2025 at 4:00pm and will close on Tuesday 16th September 2025 at 12:00pm. Should you need to make any changes after this date please contact Mrs Rawson (JRAWSON@landau-forte.org.uk).

If you know in advance that you are unavailable to attend, please contact Mrs Rawson using the email address above or by phoning the College who will be able to discuss alternative arrangements.

The College website parents evening page (<https://landau-forte.org.uk/parents/parents-evenings/>) contains a help guide on booking appointments.

Attending Appointments

Appointments will have a fixed length of 5 minutes followed by 1 minute of travel time, enabling you to get to your next appointment on time. A signal will notify the end of each 5 minute appointment, with everyone moving at the same time to the next Learning Tutor.

We hope this will enable you to follow your appointment schedule and see the Learning Tutors you have booked at the correct time. Since the start and end times for each appointment are fixed, any delay in attending will reduce the time available with the Learning Tutor.

Should you miss an appointment for any reason it might not, unfortunately, be possible to see that member of staff at a different time.

Yours sincerely,

Mr D Bloomfield
Assistant Principal

Mr R Smith
Head of KS4
