January 2026

Dear parent/carer,

### **Year 8 In-Person Parent/Carer Evening**

We are pleased to invite you to a Year 8 parent/carer evening which will take place at the College on **Thursday 5<sup>th</sup> February 2026 between 1.00pm and 6.30pm**. You will be able to hold face-to-face appointments with Learning Tutors who will provide subject specific feedback.

We have reflected on the feedback from the Year 8 parents evening in the last academic year and are extending the timings, giving you access to more appointments to meet with your child's teachers. As has been previously communicated, the **College day will finish earlier at 12.30pm** for all students to facilitate this.

There is only one parent/carer evening scheduled for Year 8 this year. We have timed the evening to coincide with the launch of the Options process, with students beginning to think about the GCSE and Vocational subjects they will study in Year 9. You will receive an Options booklet as part of the evening, and staff will be on hand to provide guidance and advice.

In addition to meeting with Learning Tutors:

- Students with an Individual Learning Plan (ILP) will be able to make an appointment with a member of the Individual Needs team.
- The College Executive team and Pastoral staff will be available for you to drop in and ask any wider questions you might have.

There is further information about the evening and booking appointments on the following page. We are looking forward to meeting you onsite, and very much hope you are able to attend.

Yours sincerely,  
Mr D Bloomfield  
Assistant Principal

Miss B Cain  
Head of Year 8

## How do I book appointments?

Visit <https://landaufortecollege.schoolcloud.co.uk> to make your appointments through SchoolCloud. Use your child's first name, last name and date of birth to login.

The College website (<https://landau-forte.org.uk/parents/parents-evenings/>) contains a help guide on booking appointments.

## Which teachers will I be able to book appointments with?

When you log into SchoolCloud you will see a list of staff that you can book appointments with. In most cases you will be able to meet the Learning Tutor for your child.

## Why are some teachers missing?

Some Learning Tutors have multiple year 8 groups. Despite extending the parents evening, some Learning Tutors have more students than there are available appointment slots. Where this is the case, staff have selected in advance the students they will meet. Unfortunately, it is only possible to book appointments with Learning Tutors who appear on SchoolCloud.

## Why am I able to book appointments with teachers who do not teach my child?

Some Learning Tutors have multiple year 8 groups. This means you might be offered an appointment with a member of staff who also teaches that subject, but who is not your child's class teacher. Please book an appointment with them. They will be able to provide subject specific feedback and discuss effort and attainment.

## When can I book appointments?

Appointments can be made from Thursday 29th January 2026 at 4:00pm and will close on Thursday 5<sup>th</sup> February 2026 at 12:00pm. Should you need to make any changes after this date please contact Mrs Rawson ([JRAWSON@landau-forte.org.uk](mailto:JRAWSON@landau-forte.org.uk)).

If you know in advance that you are unavailable to attend, please contact Mrs Rawson using the email address above or by phoning the College who will be able to discuss alternative arrangements.

## Attending Appointments

Appointments will have a fixed length of 5 minutes followed by 1 minute of travel time, enabling you to get to your next appointment on time.

A signal will notify the end of each 5 minute appointment, with everyone moving at the same time to the next Learning Tutor.

Should you miss your appointment for any reason it will not, unfortunately, be possible to see that member of staff at a different time.
